

REPORTABLE DISEASES AND CONDITIONS

City and County of San Francisco San Francisco Department of Public Health

Title 17, California Code of Regulations (CCR) §2500, §2593, §2641-2643 and §2800-2812 §2500(b).

Every health care provider, knowing of or in attendance on a case or suspected case of any of the diseases or conditions listed below, must report to the local health officer for the jurisdiction where the patient resides. Where no health care provider is in attendance, any individual having knowledge of a person who is suspected to be suffering from one of the diseases or conditions listed below may make such a report to the local health officer for the jurisdiction where the patient resides.
