Flu and Infectious Disease Forum:

Focus on Prevention

Wednesday, October 26, 2016 | 8:30am to 12:00pm
SF Public Library, Koret Auditorium, 100 Larkin Street (1 block from Civic Center BART)

This is a [free event](#) - CEUs available for a nominal fee (see below)

FORUM DESCRIPTION

The San Francisco Department of Public Health is pleased to invite you to the San Francisco Flu and Infectious Disease Forum. Join us for an engaging discussion to learn more about critical updates from experts in the fields of communicable and vaccine preventable diseases!

WHO SHOULD PARTICIPATE

Physicians, nurse practitioners, nurses, pharmacists, health educators, and other clinicians and public health professionals interested in immunization and communicable disease.

SPEAKERS

“2016 Influenza, Immunization, and Communicable Disease Update”

Cora Hoover, MD, MPH

Director, Communicable Disease Control and Prevention, Population Health Division
San Francisco Department of Public Health

“Protecting the Vulnerable: Implementing SB 277 – Progress and Challenges”

Dorit Reiss, LLB, PhD

Professor of Law
UC Hastings College of the Law

“Zika Outbreak in California: What’s our Risk?”

Charsey Cole Porse, PhD, MPH

Lead Zika Epidemiologist
California Department of Public Health
