**Changes to Reportable Diseases and Conditions and Confidential Morbidity Report (CMR) Form
– Effective February 11, 2022
What's new?**

1. **STD reporting phone and fax numbers have changed**

   STD reporting phone: (628) 217-6653
   STD reporting FAX: (628) 217-6603

2. **Reportable Diseases and Conditions list**

   Additions:

   - COVID-19 related hospitalizations,
   - COVID-19 related deaths, and
   - Health care providers conducting COVID-19 point of care testing must still report test results consistent with the requirements for laboratories.

   Please note: All reports should include a copy of the lab report.

   Deletions:

   - Healthcare providers are no longer required to report COVID-19 cases, with the exceptions noted above.

   Order of the State Public Health Officer: Revision of Mandatory Reporting of Covid-19 Results by Health Care Providers

3. **Confidential Morbidity Report Form changes:**

   Additions:
   - Email address in the demographic section.
   - Check box for Disseminated gonococcal infection.

   Deletions:
   - Removed social security number (SSN)
   - Removed the trace@sfdph.org email address for reporting COVID-19 CMR's.

   Update:
   - Please use the CDPH_SF COVID-19 cdph110d.pdf to report selected COVID-19 cases (see above.)

   Please note: Continue to send required COVID-19 reports by secure email to:
   CDcontrol@sfdph.org
